Dear Ms. Drew:

On March 30, 1994, at a meeting with the Navy, the Environmental Protection Agency, and the Florida Department of Environmental Protection, an agreement was reached allowing Naval Air Station Pensacola to expand the area identified as Site 15 under RCRA Permit **FL #9170024567**. The area was expanded to include the pesticide rinsate disposal tank located in the golf course maintenance area near Building 3586.

This area is currently being investigated under the Navy's Installation Restoration Program as Site 15.

Point of contact in this matter is Mr. Ron Joyner, Environmental Engineer, at (904) 452-3900 or (904) 452-3905.

Sincerely,

William H. Taylor, Jr.
